ACTION TAKEN: PERMIT IS HEREBY ISSUED SUBJECT TO THE FOLLOWING CONDITIONS:										
1. That under Article 1723 of the Civil Code of the Philippines, the architect (and engineer) who drew up the plans and specifications for the building/structure is responsible for damages if within fifteen (15) years from the completion of the building/structure, the same should collapse due to defect in the plans or specifications or defects in the ground. The engineer or architect who supervises the construction shall be solidarily liable with the contractor should the edifice collapse due to defect in the construction or the use of inferior materials.										
2. That the proposed architectural works shall be in accordance with the architectural plans filed with this office and in										
conformity with the latest Architectural Code of the Philippines, the National Building Code and its IRR. 3. That prior to any construction activity, a duly accomplished prescribed "Notice of Construction" shall be submitted to the										
-		-	, a duly acc	omplisme	a prescribed Not	ice of constitut	tion shall be submitted to the			
Office of the Building Official. 4. That upon completion of the construction, the licensed fulltime inspector and supervisor/in-charge of construction works shall submit the entry to the logbook duly signed and sealed to the Building Official including as-built plans and other documents and shall accomplished and submit a Certificate of Completion that the architectural works conform to the										
provisions of the Architectural Code, the National Building Code and its IRR.										
That this permit is null and void unless accomplished by the building permit.
